

DISCOVER HIDDEN VALLEY

As a member of Hidden Valley, you and your family could spend as many weekends as you like on 370 acres of pristine rainforest and farmland, with horseriding, swimming, tennis, wildlife, miles of bush tracks, motocross and BMX trails – and toasted marshmallows around the campfire at day's end.

Come and try it out: stay two nights in our cosy wooden cabins, with a trail ride for the whole family, all for just \$245. At only 40 minutes north of Hornsby, this really is the best of both worlds.
